Embrace Le Corbusier's heritage

Villa Savoy is ~~the~~ the masterpiece of the biggest architect of the 20th century, Le Corbusier. This is why I ~~have~~ chose~~d~~ this house to stay in for a weekend after I had known it was available for booking. Giving a brief description of the site, it was built in the first half of the 20th century and ~~made~~ ~~made~~ a big influenced the architectural and design thought. ~~Villa~~ Villa Savoy embodied the ~~movement~~ ~~movement~~ called modernism. Its columns, wide windows and a rooftop with a terrace have become essential parts of every modernist house of the 20th century. ⁹²

Moving to my experience ~~staying~~ ~~at~~ arriving at the house, I was met by driver provided by the company I ~~was~~ had used to ~~book~~ reserve the house. When we arrived ~~to~~ the villa the driver gave me the keys to the doors and instructed me ~~to~~ warned me about the fines I can pay in case of ~~left~~ left me. ~~After that~~ ~~my~~ My stay at the Villa Savoy lasted just a weekend. During that time I tried ~~to~~ get the maximum not to miss every detail in ~~using~~ the house's functions and perceiving its aesthetics. The Villa provides such activities as everything for active and healthy leisure activities: sunbathing and swimming in the pool ~~on~~ on the rooftop, barbeque zone on the ground floor. It is also important to mention that the house contains eye-pleasing furniture that was also designed in the Le Corbusier's bureau.

In conclusion I'd like to give some recommendations to future visitors. First, I warn you not to visit the villa in case you have a large family with ~~the~~ children as it would be easy for them bring damage to the architectural site. Next, you have to book the house in a few months as the villa is extremely demanded. If mentioned things are followed, you will have an experience something you will never forget.
