### Hidden adventures in London

This year I decided to go to a trip to London for the Christmas holidays. I went with my friends, so we booked an apartment not that far away from the city centre. The view was amazing! Our apartment was on the fifth floor, so we could see London's streets in all their magical glory with all the decorations and colourful fairy lights.

The owner was so nice to us as well! Not only did he allow us to decorate the apartment in a Christmas style, he was also kind enough to recommend places we should visit. As it turns out, there are a lot! People build truly wonderful stuff for the holidays, and I am glad that I went to this trip so I could see all of that.

For anyone who thinks that they've seen it all, I can surely recommend one thing; explore! Go to places you've never been before, even if you think you know them well. Ask other people, they can always tell you somewhere interesting to go! Trust me, you will find places you've never heard of before in your life. And discovering them feels like true magic, so you should absolutely try. This trip was the best I've ever had.
