Remarkable holiday

Last summer I went to Vladivostok and stayed in a cheap hotel, because I did not have enough money to provide myself a good hotel. And it was awful! Every morning started with noisy people in the room next door. On the second day staying here I saw the biggest roat I have ever seen! But my mood was wonderful because I had visited cinema. Then I told the owner of a hotel everything that happened to me. He advised me to change the room. Unfortunately, my troubles had just started. I noticed two more roats right under my bed. Finally, I decided to move to another hotel. It ~~situaad~~ situated in the second part of town. I packed my bags and called a taxi. The way to that hotel took me about three hours! When I came to the place, I booked a room near the restuarant, and it was the worst decision I had ever done. The smell was terrible and I felt bad. Fortunately, my holiday was ending and I would come home in two days. I will never forget this trip.

If you want to go somewhere on holidays, you must never stay in the cheapest hotels. You can stay with your friends and relatives, but you should appreciate your health and life.
