~~The 13~~
Let's „watch” the books!

In the modern world there are a lot of films based on some popular books. They help us to „watch” our favourite books. But is it possible to make a good film with the help of old books? Let's see and know!

Let's talk about the old books. What old books are popular in Russia? Yes, we talk about the Russian books because I live in Russia and want to ~~have~~ watch film based on our books. I have an idea. Today we deal with the novel „War and Peace” by Leo Tolstoy. This book is a classical literature for Russians. Some people can say that „War and Peace” is a legendary book. Others hate this novel because of its size.

The crucial figure of this book is a young officer Andrey Bolkonsky. He wants to go to war and meet with Napoleon — his hero. It is the plot of this novel.

But why is this book good for ^{the} adaptation? Firstly, there are a lot of problems and topics which are in the modern world. We also have topics about ~~war~~ the war, love and etc. Secondly, it will be more interesting for pupils to watch the modern adaptation of this book. It will be so if directors make a good film, certainly. It will be a little challenge for them.

What about the cast? In Russia we have a lot of talented actors for the future films. They look like the main characters of „War and Peace”. For example,

we have Alexander Petrov for the role of Andrey. For the role of Natasha Rostova we have a lot of beautiful actresses. For example, Anna Kovalchuk. But this work with the east will be made by directors.

The future film adaptation of this book will be a little „revenge“ for director's teams. I hope that soon we will be able to watch a good film based on „War and Peace“. Also, there are a lot of other books for adaptation. But it's the another story.

Have a good day, goodbye!
