Writing

I'm not alone and I will never be.

- Wake up, Jim, you have to be in school in thirty minutes. Let's <sup>lex</sup> breakfast and I'll pick you up to your classes, - said my mom.  
"Oh, no", I thinked. I didn't love school at all. Not because of <sup>gr</sup> studying but because of people there. I didn't like them and they didn't like me neither. I was used to be alone, that's very <sup>gr</sup> comfortable for me.

- I hope you'll get a lot of friends in your new school, sweetie. My mom was excited of how will I deal with it. Right, that was <sup>gr</sup> my first day in the new school. New town, new people, new problems.  
- Of course, - I replied, it has to be a great day.

Nobody paid any attention to me in the school. Like I didn't even exist. That was really great for me. The teacher introduced <sup>lex</sup> me with my new classmates and I took my seat in the end of the classroom. "Everything is okay still, surprisingly", I thinked <sup>gr</sup>.  
<sup>lex</sup> But one minute later, girl that was sitting next to me looked back <sup>gr</sup> to me and smiled. That is the start of our story.

After this day she always was nearby. She tried talk to me <sup>gr</sup> and it annoyed me. But I've become used of her, so we became <sup>gr</sup> close friends step by step. I wasn't alone anymore and it wasn't even problem for me, I enjoyed her. I started talk with <sup>lex</sup> other people after and found out that there is a lot of good <sup>gr</sup> people around me. I became happier and it was the best time I ever had.

It was five years ago. That girl who talked to me first is my wife now. I still have a lot of friends ~~\*,~~ people take important place in my life. I'm not alone and I'll never be.

I'm not alone and I love it.
