Writing

Good teacher's important qualities.

A good teacher can help you with studying and even could be your friend.

I think a good teacher should have a nice relationship with students and should understand them. As for me, in our school we have a teacher which always shouts us and don't wants to listen to us. Exactly, students don't like this teacher. But other teacher who helps us, explains a subject good and don't shout on us, we think he is better.

A nice teacher should really love his subject and communicate with pupils. Because if teacher ~~doesn't~~ ^{wouldn't} love his ~~work~~ job students didn't enjoy the lesson. As for our school, we have a teacher who dislike his work. This teacher is usually sad and tired. But teacher who loves his job is always has a good mood ^{and} work with us with a pleasure. ^{we} I really enjoy his lessons, and want to learn the subject he teaches.

I think these are the all important qualities of a good teacher. And, of course, if you don't like to study and going to school, every teacher will be bored and boring.
