Writing

Hello,

I want to tell you about some important qualities of a good school teacher. Sometimes, I ask my friends from other schools about their teachers. Then I think about teachers from my school. What can I say? All teachers are different. As for me, the important qualities for teacher are understanding, a wish to help smb; Kindness, I think so, because if the teacher will be angry, if he wouldn't understand pupils - it will be really bad. Maybe some of pupils wouldn't love the lessons of those teachers, or maybe they wouldn't love their school. I really don't know, but it's very bad. But if the teacher will be good, pupils will love to go to school, to the lessons, they will have a wish to learn. It's really good. I love the teachers in my school, because they have all important qualities of a good school teacher. I really want to thank them that they are love their work, the pupils, the school. With their help I have a wish to go to school, to get knowledge. And what do you think about important qualities of a good school teacher?
